No Upsets in Tuesday's Vote; W. C. Petty Wins

Pregenzer Is Winner by 16 Votes in Precinct Race

Although there were no upsets in Tuesday's election, several races turned out to be "too close for comfort" as described by Louis Pregenzer, Republican precinct committee man, who noted out Jack Wolff by the narrow margin of sixteen votes. The final count on the race was 241 for Wolff and 257 for Pregenzer.

The race for County Superintendent of Schools provided the most suspense during the counting of the ballots with Marguerite Zimmer showing unsuspected strength against the incumbent, W. C. Petty. Final tally of the ballots showed Petty the winner by a margin of 665 votes, the count being: Zimmer 9311—Petty 9976. Antioch voters gave Petty a 489 majority over Zimmer, the count being 212 to 701. Rumor has it that Miss Zimmer will qualify for the democratic nominee, as her name is reported to have been written in on a sufficient number of Democratic ballots, however, she has made no statement to indicate that she will accept the nomination.

Minard E. Hulse won the County judgeship nomination handily, being more than 2000 votes ahead of his nearest rival for the post. John Bills ran second with Brown in third spot and Litchfield trailing.

A close race between Chas. E. Jack and Willis A. Overholzer for the Probate Judgeship nomination resulted in a close victory for Jack. Administration support for Jack on Tuesday is believed to be responsible for the victory. The final count was for Jack 6625; for Overholzer 6370, a margin of 255 votes for Jack.

Other candidates in the race Diver, Thomas and Juron, were shy several thousand votes each with Diver polling 2702; Thomas 1282 and Juron 2293.

Kennedy Big Winner

Thomas E. Kennedy swamped his two opponents for nomination for Sheriff by polling more than 14 thousand votes while his two opponents, Hamlin and Depke accounted for less than 6000 votes.

Representatives Keller and Kelsey won the race for nomination for reelection to the general assembly handily, with Twadell and Nordstrom polling a small amount of votes.

The total vote recorded Tuesday was the smallest polled in a primary for many years, the total being somewhat smaller than that of four years ago, when the last off-year primary took place.

Township Library Circulates 21,500 Books During Year

1200 New Books Are Added During Fiscal Year Ending March 28

Total circulation, including books, periodicals and pamphlets, for the Antioch Township Library was 21,501 during the past year, according to figures of the annual report, issued this week by Marion Rigby, librarian.

That Antioch township readers are partial to books of fiction was shown by the fact that 17,321 books of this type were taken out, while non-fiction books were requested only 3737 times. Pamphlets borrowed totaled 77 and periodicals were requested 366 times.

That local residents are using the library more is attested to by the fact that 351 new borrowers were issued cards during the year, bringing the total number of persons holding cards to 1207.

The report states that the library is open from 10:00 a. m. until 6 p. m. daily, and that the period of loan for the majority of the book stock is 14 days.

Owe Water Bills? Better Pay Them!

Village Clerk Roy L. Murrie issued a warning to all residents of Antioch who have failed to pay their water bills that some action will be taken to speed up payment of delinquent accounts before the ending of the fiscal year, April 30.

Murrie said that every effort would be made to get all water accounts up to date before the annual audit of the village books is made.

Spring Festival At

West Newport School

Attended By Crowd

West Newport school's first annual music festival, held Friday evening, April 5, at the school was well received by a large crowd of parents and visitors.

The music department of the school is under the direction of Miss Mary Tiffany and the program consisted of vocal solos by Marion Miller and Raymond Mick, as well as choral numbers by the entire student body of the school.

The lower grades presented a musical play, "The Boy and the Billy Goats," which was enjoyed by the more than seventy-five guests.

Mrs. Elmer Baethke is teacher at the school.

Channel Lake School

To Elect Two Board

Members on Saturday

Channel Lake school district No. 35 will hold a caucus and election at the school house on Saturday, April 13. The caucus will take place from 6:30 to 7:00 p. m. and the polls will be open from 7 to 9 p. m.

The voters will elect one director for a three-year term and one director to fill an unexpired term of one year.

Annual Spring Clean-up Day Set for Mon.

Thiemann Asks Co-operation of Residents of the Village in Clean-up

Antioch Annual spring clean-up day will be held next Monday, April 15, according to Superintendent of Streets, William Thiemann.

As in former years Thiemann will arrange to have all old junk and rubbish picked up and taken to the city dump if it is placed on the curbing Monday morning. All materials should be placed in containers, he said.

It is hoped that residents of the village will avail themselves of this opportunity to get rid of accumulated trash, and since the village does not maintain regular service of this kind, this is the one time during the year that it can be done.

Grass Lake School District to Vote on New Building

Election April 20 to Decide New School Site; New Building

The school directors of the Grass Lake school district passed a resolution at a special meeting Tuesday night which will put four propositions before voters of the district at a special election to be held April 20.

Walter Forbrich, clerk of the school board, revealed that the board has chosen three possible sites for the proposed new school building and that the voters will have the opportunity of choosing the one most to their liking. All three of the proposed sites are near the present building, namely the Lucas Property on Grass Lake road; property owned by Mrs. Bessie Trieger; and 19 acres north and east of the school owned by Walter Manz. Forbrich said that the land owned by the school district is only about one acre and would not be large enough for the proposed new building.

Besides voting on a choice for the new school site the voters will be asked to authorize the board to purchase the site chosen; and to issue school bonds to the amount of \$70,000 with which to erect the new building. Arrangements have been made to secure the necessary funds at an interest rate of not to exceed 2 1/2 per cent per annum, and the indebtedness will be paid off in full in twenty years.

Charles Kempf, president, and Arthur Anderson, director, with Forbrich comprise the board and it is virtually assured that all of the measures will be voted on favorably as the improvement is a real necessity.

Charles Mason to Speak on Lincoln at Woman's Club

Charles E. Mason, former states attorney of Lake county and an accepted authority on Lincoln, will speak before the Antioch Woman's club on Monday, April 15, at the home of Mrs. H. J. Krueger, Linden Lane, Lake Catherine.

Mason is recognized as one of the best authorities on the life of Lincoln in the world today due to a life-long study of our greatest president. Mason has visited every monument and every national shrine dedicated to Lincoln as well as visited all of the historic places where Lincoln lived during his life. He also has an extensive collection of pictures concerning Lincoln.

Co-hostesses with Mrs. Krueger are Mrs. Fred Oschmann and Mrs. Wm. E. Cooper.

Past Matrons Hold Annual Dinner Party

The Past Matrons club of Antioch Chapter O. E. S. held their annual dinner at the Colony House last Thursday evening. Twenty members were present. Election of officers was held and all officers were re-elected—Mrs. Selma Trieger, President and Mrs. Deborah Van Patten, secretary and treasurer.

The next meeting of the club will be held on Thursday, May 2, at the home of Mrs. Selma Trieger, with Mrs. Ada Hachmeister co-hostess.

Mr. and Mrs. Adolph Richter, of Des Plaines, were guests of Mr. and Mrs. Frank Runyard Sunday.

Interest Is High in New Ordinance for Zoning Village

Expect Many Residents to Attend First Hearing on April 24

Much interest in the proposed zoning maps which have been on display at the News office and at the Antioch township library for the past few days, has been evidenced by local residents. Many persons have voiced the opinion that some changes would be made in the map to make the zoning more equitable.

Some curiosity has been shown concerning the meaning of the "restricted business" section, marked B1 on the map. This section will have the same restrictions as the "B" zoning with the exception that all class "A" tavern licenses will be issued for this zone only, that is, all class "A" taverns must be located within the B1 zone.

One change that has been mentioned frequently is that the old fire zone which takes in most of the business district as it now stands should be extended to cover all of the zone proposed for the B1 and B classification. Other persons have suggested changes to bring the B zone to a straight line on both sides of the street. In some places the original map shows lots on opposite sides of the street zoned for a different purpose.

Most persons who have commented on the layout set up by the zoning commission have been in favor of the general outline, but it is virtually assured that a good many objections will be voiced at the hearing on April 24.

Supervisor's Financial Report Is Published in This Issue of the News

The annual financial report of the town treasurer appears on page three of this issue of the Antioch News. The report carries a summary of all expenses incurred during the fiscal year ended March 18, 1946.

In general, the cost of running the town for one year was about the same as in previous years, although the additional sum of \$1,991.62 was spent from the special road improvement fund during the year.

Total expenditures for the year amounted to \$27,803.04; a cash balance of \$12,047.92 was on hand at the beginning of the year, and income from taxes and other sources during the year amounted to \$28,893.84. A cash balance of \$13,138.72 was on hand at the beginning of the new fiscal year 1946-47.

Burgess to Build Addition to Plant

A permit to build an addition to the present plant was issued to the Burgess Battery Company at a special meeting of the Antioch Village board Monday evening.

The improvement will provide more office space and make room in the present building for expanded manufacturing facilities, according to Ivan Blake, general manager, of the plant.

Permit Issued Fillweber Action was also taken on the request of Harold E. Fillweber that a permit be issued to permit moving the Emmons house to lot 102 on the south side of Lake Street. The request was granted and arrangements have been made with the Public Service company for temporary removal of their lines to enable movers to cross the street with the house.

Wisconsin Fishing Licenses Received by Clerk Roy Murrie

A supply of 1946 Wisconsin fishing licenses were received by village Clerk Roy Murrie this week. The license fees remain the same as in past years with the Resident license calling for a \$1.00 fee and the non-resident fee set at \$3.00.

In addition to the regular non-resident license Wisconsin conservation officials also issue a "Family 10-day license" which licenses an entire family for a ten day period, including husband and wife and children under sixteen years of age.

C. K. Anderson has his little daughter "Nancy Ann" with him this week, while her parents, Mr. and Mrs. William E. Schroeder are spending a few days in Boston.

Mr. and Mrs. Anton Johnson and son, William, spent Monday in Chicago.

Chicago Bishop to Be at St. Ignatius' Sunday, April 14

The Right Rev. Wallace E. Conkling, D. D., Episcopal Bishop of Chicago, will visit St. Ignatius' church, Antioch, to confirm and preach on Palm Sunday evening at 7:30 p. m. This service will bring to a close the series of Lenten preachers and ushers in the solemnities of Holy Week. The schedule being Maunday Thursday, Holy Eucharist, 7:30 a. m. Good Friday, Devotions, 8:00 p. m. Saturday, Church School, 10:00 a. m. Easter Day, Holy Eucharist 7:30 a. m. Festival Choral Eucharist, 11:00 a. m.

Mrs. Clara Wilton Funeral Services Held Here Monday

Last rites for Mrs. Clara Wilton, well-loved Antioch resident, were held Monday afternoon from the Strang Funeral home. Mrs. Wilton passed away last Friday in Victory Memorial hospital, Waukegan, where she had been hospitalized for a week before her death.

The Rev. Warren C. Henslee conducted the services and interment was in Hillside cemetery.

Mrs. Wilton lived a long and useful life in Antioch community, having come here with her husband, James T. Wilton, more than forty-five years ago. She was a member of many organizations here and was always interested in the welfare of others.

Mrs. Wilton was born in Sweden and was brought to this country at the age of eight by her parents. Her home was in Princeton, Illinois, before coming here. The Wiltons operated the Wilton Opera house on Main Street for twenty years, before the death of Mr. Wilton in 1921.

She is survived by one son Robert J. Wilton, and two grandsons, Robert and William, of Antioch and a sister, Mrs. Selma Johnson, of Foley, Alabama.

Mother of Mrs. Breakstone Dies

Mrs. Eva Jaeger, mother of Mrs. J. L. Breakstone, passed away at the Breakstone residence on Sunday after a coronary heart attack which occurred on Thursday evening.

She came to Antioch with her son to visit the Breakstones, and was stricken the same evening.

Funeral services were held today at the Bachman Funeral Home, Riverdale, Ill.

Surviving are her husband, Richard Jaeger, Mrs. Breakstone, and two sons, Edward and John Gill, both of Chicago.

R. V. Rendall Buys Antioch Fuel & Ice

R. V. Rendall, formerly of Zion has purchased the Antioch Fuel and ice company from T. M. Palaske, who has operated the business for the past fifteen years. The company ofices and plant are located on north Main street, just outside the city limits.

Mr. Rendall has had many years experience in the fuel business and expects to handle a more diversified line of materials when conditions permit.

Zion WLS Show Uncovers Home Talent in County

Jane Reed Nusbaum, WLS field agent in charge of producing Zion's WLS stage show, April 18, 19 and 20, reports that many talented youngsters and oldsters, too, are reporting for the tryouts this week.

The show, which is sponsored by the Moose club of Zion, will be the first held in Lake county this season.

Expect Record Crowd at Grade School Concert

Annual Music Festival Will Feature All Grades at School

A capacity crowd is expected to attend the annual Antioch Grade school music festival tomorrow night in the High school auditorium.

The grade pupils have been working on the program for several weeks, and all grades will have some part in the program. The first and second grades will lead the Pledge of Allegiance and will present their rhythm band in a variety of numbers.

The kindergarten will present songs including the "ABC Song," "Five Little Fish," "Robin Red Breast," "Blue Bird," "Pussy Willow," "Rock-A-Bye-Baby" a solo by Mary Thompson, and "In the Spring."

Third and Fourth grade will don colorful clothes and burnt cork to give their impression of a real old time minstrel show. The show will include old-time minstrel songs as well as a dance "Copper Colored Gal" by Darlene Lux.

All of Hollywood's top stars will be impersonated by members of the fifth and sixth grades in their part of the program. Among the top stars who will appear are Bob Hope (Pat Quilty); Deanna Durbin (Sue Garland); Dick Haymes (George Nelson); Alice Faye (RoseAnne McGreal); Bing Crosby (Ronald Arndt); and Carmen Miranda (Carol Loftus). The revue will also feature several numbers by the chorus.

The seventh and eighth grade contribution to the festival will consist of six numbers by the grade school band and chorus under the direction of Hans Von Holwede.

Herb Prange Is Injured in Car Accident

Herb Prange received a slight concussion of the brain in an accident at the overpass near Pleasant Prairie on route 50 last week. Herb, who was driving to the home of his brother-in-law, "Shorty" Anderson, who lives near the overpass, was struck in the rear of his car when he slowed to turn off the pavement.

The crash, besides shaking up the passengers of both cars severely, ignited the fuel tank of Herb's LaFayette sedan and only quick action on the part of the Pleasant Prairie Fire department, which was holding a meeting almost directly across the street, saved the car from being entirely burned. As it was the car was damaged by the crash and the fire to an extent which makes doubtful the advisability of repair.

Herb was apparently unhurt after the crash, and it was not until Friday that he went to a doctor with a complaint of pains in his head. He was hospitalized Friday and is still in the Kenosha hospital under observation. It is believed, however, that his condition is not serious and that he will be back on the job at the Antioch Liquor store, where he is employed, within a few days.

William G. Sackerson, Grass Lake, Passes

William G. Sackerson, summer resident at Grass Lake for over twenty years and a permanent resident for the past two years, passed away on March 28. He had been ill for more than six months and had been hospitalized for most of that time before his death.

Funeral services were conducted by Rev. Byron Reynolds, and the service was held from Colonial Chapel, 7838 Cottage Grove Ave., Chicago, on Monday, April 1. Interment was in Oak Hill Cemetery.

Spa To Hold Special Party For Servicemen

A special celebration will be a feature of Saturday's entertainment at the Spa, Pikeville, a favorite night spot in the region. All returned servicemen and their friends are invited to attend the party and meet "Judy" who will also be celebrating her return to civilian life.

Music for the party will be furnished by the "Troubadors."

The Antioch Township High school Parent-Teachers Association will hold its final meeting at the school Monday evening, April 15th at 8 o'clock. The teachers will have charge of the program.

Learn From The Sea

Last December's fire loss of nearly \$50,000,000 was the greatest this nation has experienced for any month on record, which makes this an appropriate time to discuss ways of safeguarding the lives and property of the nation.

On a ship at sea where men's lives depend on discipline in case of fire or other emergency, preparedness is achieved by posting instructions on the bulkheads where they can be read in spare moments and fixed in the minds of those who are concerned.

Would it not be a good plan to take a lesson from the sea and post vital instructions in homes and factories where all could read them handily? No ship would put to sea without full instructions on how to combat fire and other possible emergencies. If the same practice could be made universal on land, living would be much safer.

Even a child can be instrumental in saving a home in case of fire if he is instructed on how to use the fire extinguisher at the crucial moment when the fire is still small. If the hazards of fire were taken more seriously, fewer lives would be lost. Like at sea, there must be a man at the helm in the home, and all members of the family must know the seriousness of fire and how to combat it, if progress is to be made in reducing the annual toll of death and destruction from fire in this nation.

On The Job

One of the major miracles of World War II was the efficiency with which United States forces and supplies were moved to points of attack and sustained while the attack progressed. The underlying explanation of this seeming miracle lies in the fact that the United States is a land geared to fast transportation. Strategic materials as well as men could be moved with bewildering speed when the occasion required. The award recently of a "Certificate of Achievement" to the Railway Express Agency recalls some of the work of the civilian transportation industry during the war.

Immediately after Pearl Harbor, military and naval requirements for express service increased quickly and in heavy volume. To meet the war emergency, the Agency established a bureau in Washington to provide constant contact day and night, while the entire express organization was alerted to expedite all government business on the line.

MILLBURN

The Rev. Leslie Chapman, of Congregational church in Waukegan, was guest speaker at the church service Sunday evening.

The choir is preparing an Easter cantata "The Exalted Christ," which will be given at the Good Friday service, April 19, at 8 o'clock.

Twenty-five young people attended the business meeting and social of the C. E. society held at the home of Bob and Alice Denman Saturday evening.

Mrs. E. H. Edwards received word Sunday of the arrival of a new grandson, born to Mr. and Mrs. Marc Edwards in Forest Park.

Mr. G. Bryan and family, of Aurora, spent the weekend at the A. B. McDonald home.

Mrs. Eric Anderson will hold an organization meeting for Millburn Maiden's 4-H club Saturday afternoon at her home at 1:30 o'clock and all girls over 10 years of age interested in joining the club this season are urged to be present. An invitation is extended to the mothers to attend this meeting, also.

Mrs. Leslie Bonner spent Wednesday with her sister, Mrs. Victor Strang on DeWoody Road, Waukegan.

Mr. and Mrs. Eric Anderson and Mrs. Max Irving attended Friends Night of Mayflower chapter O. E. S. at Wauconda Saturday evening. The former was guest soloist, and the latter was conductress for the evening.

Mr. and Mrs. Peter Tillich attended the WLS barn dance in Chicago Saturday evening.

Mr. and Mrs. Pat Murphy, of Waukegan, spent the weekend at the O. L. Hollenbeck home.

Miss Thelma Clark attended a bridal shower for Miss Ruth Atwell at the home of Mrs. Frank Stone Sunday afternoon.

Mr. and Mrs. Roy Edwards, of Wau-

kegan, spent Saturday evening at the Ed Hoffman home.

Mr. and Mrs. Peter Tillich, Jr., and son, of Chicago, spent Sunday and Monday with their parents here.

Miss Jean Bonner, of Winnetka, and Mrs. Jas. Haire and daughter, Edith Ann, of Omaha, Neb., were supper guests at the Gordon Bonner home Wednesday evening.

Mr. and Mrs. Marshall Kimball, who have recently sold their home on Third Lake, moved Thursday to the O. L. Hollenbeck flat.

Twelve ladies from Millburn helped with the mending at the Lake County Tuberculosis Sanatorium last Tuesday.

Mr. and Mrs. Clifford Weber, Jr., and daughter, Diane, of Grayslake spent Sunday afternoon at the Frank Hauser home.

Mrs. H. Ames remained to visit a sister, who is ill. The others returned home Sunday evening.

Mr. and Mrs. George Christofferson and family, of Elmhurst, spent Sunday with the Bert Edwards family. A daughter, Miss Doris Christofferson was a Wac and has just returned home from service in England.

The Misses Lillie and Edith Darby, from Oregon, arrived Sunday at the home of their sister, Mrs. Bert Doolittle, for a visit.

Mr. and Mrs. Otto Gussarson announce the arrival of a daughter on

April 1st, at St. Therese hospital, Waukegan.

Harvey Mann, of Waukegan, spent Tuesday of this week at the A. T. Savage home.

Mr. and Mrs. George Handley and daughter Ann, of Chicago, called at the Will Thompson home Saturday. Mr. S. J. Handley is a patient at West Suburban hospital in Oak Park, where he had a major operation on March 28.

Miss Grace Tillotson, of Kenosha, attended the Ladies Aid dinner at Millburn and called at the H. A. Tillotson home Thursday afternoon.

Milton Smith has returned to Hutchinson, Kansas, after a furlough spent with the home folks.

Mr. and Mrs. Ed Millmore and children, Roberta and Roger, of Waukegan, visited their aunt, Mrs. Caroline Marble, on Friday afternoon.

Thus Navy needs for carload and trainload express movements, special guard service on vital and confidential shipments, diversions and other emergency shipping situations, were met. Express representatives were placed in naval bases or were available to the officers in charge. Experienced employees acted as expeditors in all large express terminals.

In 1944 express business on government bills-of-lading was fifty-five times as much as in 1940, while war traffic reached 70 per cent of the total handled by the Express Agency. Eighty per cent of the traffic moving in air express service was directly connected with the war effort; naval shipments represented a substantial part of the total.

This record illustrates the vital roles played by private industry in helping America wage a successful "war on wheels."

"Cats" Illustrate Nation's Problems

Over the radio on February 20, the prediction was made that there would be six million unemployed by July. The net result of our misnamed reconversion program, six months after the war's end, is discouragement of constructive activity. To show how production is artificially slowed up in this country, consider the case of the Caterpillar Tractor Co., a key manufacturer of heavy equipment, the starting point of unemployment in many lines—construction, logging, farming, road building, etc.

A veteran of three years overseas, after trying for several months to buy a tractor such as he desired for clearing logged-off land in Western Oregon to increase dairy production on his ranch, wrote the Caterpillar Tractor Co., at Peoria, Illinois, asking why none of its equipment was available at the local agency. The information he received from the company gives an idea of why this country is begging for necessities.

After stating that its plant has been closed by a strike, as have plants of parts suppliers, the company's reply, to be fair, was based on a pre-strike basis, at which time record deliveries could not begin to keep up with requirements of domestic distributors. It said: "We have been doing everything we possibly can to raise production even further. We have kept our factory operations on a 48-hour week, three shifts (that's expensive, you know). After our strike is over, we may be forced to go on a 40-hour week simply because our people won't work 48 hours, regardless of the overtime pay involved."

The veteran who wanted a tractor will be delayed another year; labor will be unemployed, and increased dairy production on the farm in question will still be something to talk about for the future. Multiply this example by a thousand and ten thousand times over the country, and you can see what labor warfare and lack of any sound government policy for settling or controlling strikes, is costing the nation and the working man.

QUOTES
OF THE WEEK

"I don't know anything about burglary."—Al Jennings, 32, once "terror of the Southwest," now raising chickens in Calif.

"She doesn't mean any more to this court than Joe Zlich."—Detroit judge, threatening contempt proceedings against actress Martha Raye.

"I cannot imagine any more inflationary proposal."—Senator Taft, Ohio, on "full employment" bill.

"Highball before dinner, good night's sleep, fewer letters from voters."—Prescription for tired Congressmen from Capt. Geo. W. Calver, Capital physician.

"We cannot and will not use money saved up for many years for the purpose of modernizing and expanding our plants, and for providing more good jobs, to pay excess wages for work not performed. This money cannot be spent twice."—Pres. C. E. Wilson, General Motors, refusing CIO demand for 30% pay boost.

"Oh, its Northern charm and Southern efficiency!"—Senator Magnuson, Wash. State, on the nation's capital.

A REPORT

TO THOSE WAITING FOR
TELEPHONE SERVICE IN
ANTIOCH

Providing telephone service as soon as possible for waiting applicants is our No. 1 objective. We're doing just that... as fast as manufacturing capacity and human energy and ingenuity will allow.

We're happy to report that one of the causes of the delay—lack of telephone instruments—has just about been eliminated. Very soon there will be no one waiting for main service in our territory because of a telephone instrument shortage. We have not, however, been able to provide telephone service for all those waiting, because of other equipment needed principally in our central office... equipment which makes the telephone work and which connects it with all the other telephones. This central office equipment, unlike the telephone instrument, cannot be mass produced. It must be "tailor-made" and it takes a long time to build and to install it.

Present plans indicate that we will have enough of this equipment installed by Summer to provide service for all those now on the waiting list. We might do a little better than these estimates, but because of conditions beyond our control we may not be able to do as well. At any rate we thought you would like to know what the outlook is now.

Day and night, telephone manufacturing goes on in the rush to catch up. You may be sure that your application will be taken care of as rapidly as possible and in its proper turn. We will get in touch with you promptly, as soon as your order moves to the head of the list. In the meantime, please accept our thanks for your patience and cooperation. It has been a great help to us in our job of trying to provide telephone service for everyone who wants it.

SOCIETY EVENTS

WESLEY CIRCLE

MUSICAL TEA APR. 17

Members of the Methodist Wesley Circle will hold a Musical Tea at the home of Mrs. Einar Petersen, 1043 Spafford Street, Wednesday afternoon, April 17, from 3 o'clock to 4:30.

The program to be presented consist of vocal solos by Clarence Olson, accompanied by Mrs. A. H. Kaufmann; accordion selections by Kenneth Heuer; piano solos by Billie Deering, June Petersen and Mrs. A. H. Kaufmann.

Assisting Mrs. Petersen on the committee are: Mrs. Hans Von Holwede, Mrs. George Good, Mrs. Jane Breakstone, Mrs. Arthur Laursen, Mrs. M. C. Cain and Mrs. Fred Peterson.

MRS. MAGDALEN PFLUCHER OF SALEM TOWNSHIP DIES

Mrs. Magdalen Pflucher, 70, a resident of Salem Township, passed away Friday, April 5, at her home near Salem. She had been an invalid for the past year.

Mrs. Pflucher was born August 7, 1875, in Boscar, Austria-Hungary, and had lived in this country for the past thirty-nine years. She is survived by two daughters, Mrs. Frank Remje, of Salem Township, Mrs. Mathew Abel, of Philadelphia, Pa., two sisters Mrs. Anna Fredrich and Mrs. Barbara Rintye both of Philadelphia and five grandchildren.

Funeral services were held Monday, April 8 at 9:30 a. m. from the Holy Name church at Wilmet, the Rev. Fr. O'Connor officiating. Burial was in Holy Name Cemetery at Wilmet.

SERVICES HELD FOR MRS. ANNA LANG

Mrs. Anna Lang, 60, a former resident of Antioch, died at the B. Dozier Sanitarium at Lake Zurich Thursday, April 4, following a long period of illness.

Mrs. Lang had made her home with her daughter, Mrs. Nora Hoffmeier, 1010 Massena Ave., Waukegan, for the past several months.

She was born October 6, 1885 in St. Paul, Minnesota, the daughter of Mathew and Anna Gandl.

She is survived by one daughter, Mrs. Hoffmeier, two brothers, four sisters and two grandchildren.

The infant daughter of Mr. and Mrs. Myrus Nelson was Christened "Leone Margaret" March 31 at St. Peter's church with the Rev. Father Flaherty officiating. Mr. and Mrs. Robert Webb attended and are her God-Parents.

McHenry County Receives Funds to Combat Polio

Checks for \$50,000 and \$18,000 have been sent by the National Foundation for Infantile Paralysis to its chapters in Winnebago and McHenry counties, Illinois, respectively, for the care and treatment of persons stricken in the 1945 epidemic, Foundation President Basil O'Connor announced today.

Dispatched in response to appeals from Winnebago Chapter Treasurer Mrs. A. D. Weller, of Rockford, and McHenry Chapter chairman J. L. Townsend, of Woodstock, the funds bring to \$153,000 the total sent to its Illinois chapters by the National Foundation this year. In 1945, epidemic aid to Illinois totaled \$317,200.

Previous checks sent to Illinois chapters this year were:

Boone, \$10,000; Stephenson, \$20,000; St. Clair, \$5,000; and Winnebago, \$50,000.

The money will supplement chapter resources depleted by the cost of continued care and treatment of infantile paralysis patients. Illinois reported 1,119 poliomyelitis cases in 1945. Of these, 320 were in Winnebago County and 13 in McHenry County.

Principal expenses of National Foundation chapters are hospitalization and transportation of poliomyelitis patients, special equipment and medical and nursing services.

Card of Thanks

I wish to thank all my friends for the many fine gifts of flowers, cards, etc., sent to me during my illness. I hope to be well enough to express my thanks in person after a few months.

St. Peter's Altar and Rosary Society to Hold Card Party

The Altar and Rosary Society of St. Peter's church will sponsor an Easter Monday card party in the church basement on Monday evening, April 22.

Mrs. Rudy Eckert, chairman of the committee for the party, states that refreshments will be served and that all games will be provided for.

Safe Ladder

Before climbing a step ladder, see that the spreader is fully extended and the footing firm. If the ladder is to stand on a concrete sidewalk or smooth surface, get someone to hold the ladder to prevent sliding. Use a board under the base on soft ground. Face the ladder when climbing; don't lean too far out or attempt to carry too heavy a load up the ladder.

Watering Cut Flowers

Hard flower stems should be crushed or slit up for a few inches from the base when cut and put in water.

Flour Thickening

Flour can be substituted for cornstarch for thickening by using twice as much in recipes.

Chicago and Northern Illinois

...Center of an Agricultural Empire

It was inevitable that Chicago should become a world food center. Here in Northern Illinois a billion dollars worth of food products are processed annually. Here, a hundred thousand people are employed in this industry alone.

Forty per cent of America's farm output, in dollar value, is produced in—or within overnight ride of—Northern Illinois. Thus Chicago has become the largest packing and food storage center, as well as the largest

The Chicago Stockyards is the largest single live animal market in the world.

single live animal market in the world. The products of the fertile upper Mississippi prairies and livestock from the western ranges gravitate naturally to the nation's transportation center, creating here the focal point of food processing—one of America's most important and largest industries.

Chicago's preeminence in this industry has placed it first in the production of fresh beef, mutton, lamb, pork, cooked hams, fresh and dried sausage, lard and oleomargarine.

Because the Middle West is the nation's granary, Chicago and Northern Illinois is a huge grain distributing center. The Chicago Board of Trade handles 86 per cent of the entire nation's trading in wheat, corn, oats, rye, barley and soy bean futures—the largest market of its kind in the world.

With its ideal economic balance among industries, trades, and agriculture, this area is indeed the heart of the world's richest inland empire.

The same natural advantages that have contributed to its importance in food processing have helped to build its leadership in industry, transportation, and marketing. No other center provides such easy access to as many other large markets. No other distributing point offers such economy of time and distance in serving the nation—and the entire world.

These are some of the reasons why this area is well launched upon another period of industrial progress. For industries contemplating location or expansion, the unequalled advantages of this diversified area deserve thorough investigation.

Industries located in this area have these outstanding advantages: Railroad Center of the United States • World Airport • Inland Waterways • Geographical Center of U. S. Population • Great Financial Center • The "Great Central Market" • Food Producing and Processing Center • Leader in Iron and Steel Manufacturing • Good Labor Relations Record • 2,500,000 Kilowatts of Power • Tremendous Coal Reserves • Abundant Gas and Oil • Good Government • Good Living

The sermon topic chosen by the Rev. Pierson for next Sunday morning at the 11 o'clock service at the Community church is "His Triumphant Entry," and you are very welcome. On Good Friday evening the Pastor will hold a communion service at the church.

The Woman's Society of Christian Service will meet Wednesday afternoon, April 17 with Mrs. Carl Reinbach at her home for dessert luncheon and the meeting will follow.

The Board of Trustees of the Community Church met Thursday evening this week at the Boyer home to plan improvement of the church auditorium, work on the basement rooms will go on as soon as conditions permit.

The W. S. C. S. will hold a sub-district meeting at the church on Friday, April 26, beginning at 10 o'clock, in charge of District officers and to which neighboring societies are invited. Luncheon will be served at the school gym at 12.30 and reservations must be in early. Meeting will continue during the afternoon and is sure to be a great interest to members of the W. S. C. S.

Rowland Pierson of the faculty of E. Lansing, Michigan College, spent Saturday and Sunday with his family at the parsonage. They plan to live there as soon as a place can be found.

Rush Hussey, who spent the winter in California, has returned and is at his place of business at the lumber yard. His son, Raymond left Friday to join his wife and daughter in Florida, where they have been since March 1st and will return soon.

Mrs. Stella Pedersen has sold her home on Oak Knoll Drive to Mr. and Mrs. Cecil Anderson, who will occupy it, and Mrs. Pedersen is moving to her other place on the drive near Grand Ave. Her brother, Frank Mathis, of Chicago, is spending the week helping her.

Check Pneumonia
Pneumonia, once a frequently fatal disease, causing about 90,500 deaths in the United States annually, is gradually retreating before the advance of modern medicine.

Cuts Fire Hazard
The fire insurance industry is particularly interested in the value of paint from a fire protection standpoint. Unprotected wood has a tendency to weather and dry out until it becomes like tinder. Paint, however, keeps wood in good condition, so that a wooden building painted is less likely to take fire than one that is unpainted. Another important point is that in order to paint it is first necessary to clean up, thus eliminating the hazard of accumulated refuse.

Thank You!

I wish to extend my sincere appreciation to all the Republican voters who supported me in Tuesday's election. I will endeavor to merit the confidence shown in me.

Louis Pregenzer

My sincere thanks to the readers of the Antioch News for their support in the election last Tuesday.

W. C. PETTY,
County Supt. of Schools

**THANK YOU TO ALL REPUBLICAN
VOTERS IN LAKE COUNTY**

I wish to express my sincere thanks for their support in the Tuesday Primaries. I especially thank those who worked in my behalf and the Republican Precinct committeemen.

During the coming campaign I pledge my utmost efforts toward a Republican victory in November, with the election of all State and Lake County Republican Candidates.
